

WAIVER

The vehicle and personal protection programs listed below have been reviewed and fully explained to me. I understand that they are optional and that the Dealer Plan Financial Institutions do not require me to include any of the protection items for the granting of a loan / lease approval. I also understand that the inclusion of the optional protection items does not affect my ability to obtain credit for a loan or lease.

With respect to the vehicle chemical protection items, I understand that I may have the opportunity to purchase these items at a later date, however warranty coverage and pricing may be subject to change. With respect to the extended service plans, I understand that I may have the opportunity to purchase these programs up until the expiration of the manufacturer's warranty. At that time however, I understand that I may be subject to changes in program coverage and pricing.

With respect to credit insurance protection, I understand that my final opportunity to include the protection is at time of vehicle delivery and the signing of the conditional sale agreement or lease. I have also reviewed and understand the pre-existing clause on both the life and illness and injury credit insurance policies. At this time, I have made the decision to:
